

Coldstream Hills

Sauvignon Blanc 2004

Coldstream Hills was established in 1985 by James and Suzanne Halliday. Situated in the cool and beautiful Yarra Valley, little more than a one hour drive from Melbourne, its steep, close-planted vineyards have become a signature of the region, as have its wines.

Coldstream Hills became part of the Southcorp Wine Group in July 1996 and will continue to make its wines as it has done with the winemaking team headed by Andrew Fleming.

Forming an integral part of the Coldstream Hills varietal range, the 2004 Sauvignon Blanc was made principally from our grapes grown in the Upper Yarra Valley and a small portion of grapes from our Coldstream Vineyard. In keeping with the previous styles, a small proportion was barrel fermented in French oak to help add texture and complexity.

Vineyard Region

Yarra Valley

Grape Variety

Sauvignon Blanc

Maturation

Temperature controlled fermentation occurred in 100% stainless steel.

Winemaker Comments: Andrew Fleming

Colour

Pale straw with green highlights.

Nose

A vibrant nose of lifted tropical fruit with notes of lantana and gooseberry.

Palate

A lively wine with sweet tropical fruit flavours and good length. The wine is held together by soft acidity that adds to a refreshing, crisp finish.

Wine Analysis

Alc/Vol: 12.0%
