

Coldstream Hills

Amphitheatre Club

Stunning new releases and a selection of member favourites

Despite the current uncertainty in the world, business has been relatively unscathed at Coldstream Hills as we prepare to unveil our latest vintage releases. With that, we're incredibly proud to introduce to you the September 2021 Coldstream Hills Amphitheatre Club Collection.

Headlining this collection of new releases are three Chardonnays and three Pinot Noirs from the 2020 vintage. A warm start to Spring with above average rainfall led to good canopy development. Bunch numbers were average, but dry conditions in December appear to have checked berry development. Relatively mild to cool conditions ensued throughout the ripening period, allowing gradual flavour development and sugar accumulation. A sequence of rainfall events required extra vigilance in the vineyards, but fruit quality in the main was excellent. Yields were generally lower than average, with tiny bunches seen across many vineyard sites.

The new release white collection includes the stunning Deer Farm Chardonnay with its signature

of coiled citrus and fine acidity. The Rising Vineyard Chardonnay offers attractive floral notes, texture and great length of flavour. Coldstream Hills Reserve Chardonnay displays the classic hallmarks of the Estate's Vineyards, with power, restraint and ability to age.

Red wine enthusiasts will enjoy our new release Pinot Noirs, each an expression of their locales from the milder 2020 season. A welcome return of the elegantly framed Dr's Block Pinot offers fragrant strawberry notes and spice. The Deer Farm Pinot displays all the characteristics of the Upper Yarra with perfume, attractive red fruits and plushness. As a counterpoint, the Reserve Pinot Noir is more structural with dark cherry notes and an underlying chalky tannin finish.

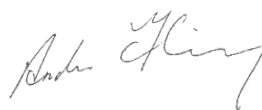

Complementing the packs are a selection of wines from our Yarra Valley Range, including the highly regarded 2016 Chardonnay Pinot Sparkling and the 2014 Merlot as a museum offering.

As a member of our Amphitheatre Club, we will always keep you abreast of all the happenings at the

winery. You can expect priority access to new, limited release, museum and back vintage wines, as well as receiving a reminder when your Amphitheatre Club wines are ready to be dispatched. There's a lot to look forward to as a member of our Amphitheatre Club, and we can't wait to share with you our 2021 vintage release.

Please enjoy the collection and we look forward to celebrating good times ahead.

Yours in wine
